**OKC Navy Days Supports Local Sailors**

OKLAHOMA CITY (March 1, 2019) – The 14<sup>th</sup> Annual OKC Navy Days will take place June 4-23. The mission of the program is to recognize the United States Navy's presence, investment and contributions within our community, as well as providing support for the Sailors and their families stationed in Oklahoma City.

Oklahoma City is home to 1,200 active duty sailors assigned to the Strategic Communications Wing One "TACAMO" at Tinker Air Force Base. There are also Navy recruiters and Navy reservists throughout the metropolitan area. The annual economic impact of the United States Navy in our community is estimated to be well over \$100 million.

"Thanks to the support of many individuals and the corporate community, we have been able host a variety of events for our Sailors the past fourteen years," said Mike McAuliffe, founder of OKC Navy Days. "We are honored to say Oklahoma City is a Navy town!"

The 2019 OKC Navy Days activities for Sailors and their families include the Gardner Tanenbaum Holdings Navy Golf Classic, Oklahoma BBQ Festival and the OKC Holiday Festival on the Oklahoma River. OKC Navy Days also provides Oklahoma State Fair tickets for sailor's children every year.

The OKC Navy Golf Classic is different from other golf tournaments as organizers secure sponsors to hosts as many as 100 active duty sailors for a day of golf and Oklahoma City hospitality.

OKC Navy Days major sponsors to date include Chickasaw Nation, Gardner Tanenbaum Holdings, The Greens Country Club, Midlands Management, OG&E, OKC Navy League and MindsEye Advertising.
